2009

Dear Plain Township Business/Organization:

The Plain Township Bicentennial Committee is currently making preparations for the 2009 Bicentennial Celebration. This is a chance to recognize the citizens, schools, businesses, churches, and all Plain Township organizations. This unique opportunity will only come around once in our lifetime, so we would like to encourage the entire community to join us in celebration of our rich history and heritage.

The Plain Township Bicentennial Celebration is expected to be one of the largest events this community will see. These events will feature a variety of attractions which appeal to the diverse recreational and entertainment desires of our citizens. Throughout 2009, events will include a History of Faith Tour, Church Bells Ring-Along, Farming and Industry Tours, Cruise-In Car Show, many tree plantings and dedications and the Bicentennial Parade & Festival. The parade and festival on July 18, 2009 is the pinnacle of the Bicentennial Celebration and is a one day event that includes live entertainment, food concessions, fireworks, and more!

By setting up a booth at the Plain Township Festival, you will have the opportunity to gain valuable community access. This is a chance to pass out brochures, fundraise (dunking booth, pie eating contest, etc.), make new business contacts, and take part in an event that will be long remembered by this community.

Enclosed is a booth space application. We look forward to seeing you and everyone with your organization at the Plain Township Bicentennial Celebration. Thank you again for your support of your Plain Township.

Sincerely,

Rick Campbell  
Bicentennial Committee Chairperson
