County Sheriff for the D.A.R.E. Officer. The contract shall be in effect

3. Plain Township Signs –samples were once again available. The recycled plastic cost per sign was \$800. The metal or aluminum type signs were less costly, at \$400 a piece. Mr. Cozy explained that the recycled plastic signs were more vandal-resistant. Mr. Iacino said that we were looking at approximately 30 signs that we would need.

4. Temporary Portable Signs – the Board discussed this. Mr. Leno felt that the 30-day length of time for a banner was not long enough and it should be extended to new businesses within the Township if it was done tastefully. Mr. Giavasis agreed; however, Law Director Williams stated that we needed to think about what type of resolutions we were going to draw up. What would we be saying to older businesses within the Township; for instance that may be having a fish dinner on Wednesday and since they were older they would not be allowed to have a banner? He cautioned the Board on isolating a particular sign. They will discuss it and get back to this by the next meeting with more information.

NEW BUSINESS:

1. Oil and Gas Well Lease – a letter from Great Lakes Energy Partners. They have a resident that has given them permission to

drill for oil and gas on their property. However, their property has mineral rights that would include our property, and they want Plain Township to sign off. Mr. Williams, our Law Director, will look into this further and advise the Board.

2. Reifsnyder Basketball Court – Reifsnyder Park is located in the City of Canton. Mr. Cozy met with Mr. Perry, the City of Canton Parks Director, and looked at an area near Reifsnyder Park that could be used for a small one-half court basketball area. He also got a cost of \$4,240 for asphalt. Mrs. Bossart asked if it was legal to spend money on City property. Mr. Giavasis suggested that we check with the City to see if we could possibly lease the land for the minute amount so that we could have control of it, and then spend the money to put an asphalt basketball court in for those children who had their portable basketball hoops removed from the right-of-ways.
