WORK SESSION

ATTENDANCE:

Pamela Bossart, Louis Giavasis, Claude W. Shriver, II, Mark Cozy, Steve Peroz, Mary Lee Sponseller. Mr. Leno was on vacation.

President Giavasis convened the work session at 6:20 p.m. The subject of discussion was final revisions for the Zoning Resolution. Mrs. Sponseller went over Article IV, regarding definitions of accessory use and family, also manufactured home, modular and mobile home. She also talked about classifications and general standards, changing accessory uses and building and structures. The Board said that they wanted to go over this again at the next meeting at a work session beginning at 5:30 p.m., after she reviews some things with our Law Director, Mr. Williams.

REGULAR MEETING

OPENING: The regular meeting was called to order at 7:00 p.m. by President Giavasis, who led the staff and audience in the pledge of allegiance.

ATTENDANCE:

Pamela Bossart, Louis Giavasis, Claude W. Shriver, II, Mark Cozy, Eric Williams, Joe Iacino, Sam Tuttle, Steve Peroz, John Sabo, Mary Lee Sponseller.
Media present: Natalie Lariccia, the Repository; Betty O'Neill-Roderick, Akron Beacon Journal.

AGENDA: Concerns of Citizens was moved up due to the number of people here with regard to a vicious dog problem.

CONCERNS OF CITIZENS:

Anthony Dennis, 1122 Southwoods Lane SE, gave a lengthy dissertation about a dog that is called a Presa Canario, also known as a Canary Dog, which is a very vicious animal. There were also 16 citizens present with him. He was referring to a Mr. Lucas, who is literally running a kennel and has these dogs very close to his house. They are known to be attack dogs and the citizens are upset about it and want something done. There was a lengthy discussion.

7:15 P.M. PUBLIC HEARING – ZONING AMENDMENT #539

Zoning Amendment #539 was introduced by Mrs. Sponseller. Ben Grisez, of 8004 Clifton Court, Massillon, was present and gave a full overview once again of his proposed development, which will be known as Wicker Creek. There were questions from the Board regarding drainage. His engineer, John Walsh, from GBC Design, explained the drainage plans and said that everything would be up to Stark County standards and according to Joe Underwood's present development standards.

Other questions of concern had to do with the covenant, which the Board said that they did not have a copy of yet. Mr. Williams said that he had reviewed it, and legally he was comfortable. However, Mr. Williams did state that it would be best if we got the covenant agreement in place and let the hearing continue to the next meeting, so when Mr. Leno is back, they can make their approval at that time.

7:15 P.M. PUBLIC HEARING – ZONING AMENDMENT #539 (continued)

Mr. Robert Fonte, Director of Stark Parks, was also present. He said he is in favor of the proposal and that this facilitates the Stark County Corridor going along the Nimishillen Creek. He is very pleased with the necessary changes that Mr. Grisez has made. The Board said that they liked Mr. Grisez's plan. He had been very cooperative in working with them. They just asked that he wait until the next meeting to continue the hearing and to finalize everything after they had time to review the covenant agreement.

CONCERNS OF CITIZENS: (continued)

Mr. Gary Cortesi, of 2614 Sheffield, also has a problem with dogs near his home. He said that his neighbor behind him has five standing dogs and a litter of five. He has eleven dogs in the same residence. He has called the Sheriff to no avail. When the Sheriff arrives, the dogs are not hollering or barking any more. He said he will continue to call the Sheriff with this problem.

Rochelle Haas, of 1209 Southwoods Lane, also lives across from Mr. Lucas, who has the Canary Dogs, and mentioned all the same problems as did Mr. Dennis. Ed Miller, of 5729 Griffith NW, also enumerated the same problems regarding the Lucas dogs. Ed Schwitzgebel, of 5807 Griffith NW, also enumerated the same problems, and William Waicukewith, of 5728 Griffith NW, also enumerated the same problems regarding the dogs that reside at the Lucas residence. Another concern brought up by all of them was walking by older people early in the morning. These dogs are known to attack. They are concerned about their children and safety in their neighborhood as a whole.

Mr. Giavasis said he couldn't agree with these citizens more. He is in agreement with passing some type of legislation against this. Mr. Williams, our Law Director, said that currently the Township is not on the same level as cities in developing ordinances. Currently we could do a civil fine but we could not bring any criminal charges. He said from what he is hearing from the Board, what we can do, we will do, and will do whatever we are allowed to do to get this problem resolved and at least put some teeth into the law that we may come up with.

SHERIFF'S REPORT:

Ryan Hostetler was present. Speeding on Sapphire was discussed. It is normally happening after school. There is also speeding on Peachmont. There is another missing Plain Township sign off of Werner Church Rd. They took this sign down and left the posts. There is speeding on Diamond east of Middlebranch. We also had a complaint that the 35 mph speed limit in that area is too high. There was also vandalism on Beverly. Mr. Giavasis said one of his neighbors, Mr. Offineer, said that some adolescents there are throwing dog feces against his house.
