WORK SESSION

ATTENDANCE:

Pamela Bossart, Albert Leno, II, Claude W. Shriver, II, Eric Williams, Dennis Allman, Sam Tuttle, Steve Peroz.
Media present: Cal Peters, WHBC, Natalie Lariccia, the Repository; Betty O'Neill-Roderick, Akron Beacon Journal.

President Bossart convened the work session at 6:20 p.m. Nick Petrycki was present from the Aflac Insurance Company, and went over various portions of the Aflac policy that he would like to offer to Plain Township. He pointed out that this would not cost the Township any additional money, as it would be up to the employees to select what portion of the insurance they would provide. He went over personal short-term disability, accidental indemnity, cancer indemnity plan, hospital protection, personal recovery, vision plan, dental plan, and personal sickness indemnity. He said there would be no direct cost to the employer. It enhances the company's benefit package. It does not replace or conflict with any benefits that are currently in place. It provides financial security for the employee, offers the employee choice in the benefit selection, and provides additional income protection. At any rate, he would be willing to meet with each department head and their members to go over the various portions of the Aflac policy to see if there would be any interest.

REGULAR MEETING

OPENING: The regular meeting was called to order at 7:00 p.m. by President Bossart, who led the staff and audience in the pledge of allegiance.

Citations average in the 3,000 range per year. Alarms were down. Vehicle information – we are presently spending about 13 cents per mile on maintenance. SHERIFF'S REPORT: (continued)

Another concern for the Sheriff's Report was the parking of long cars and limousine-type vehicles in the area of 3555 Farnham. It is creating a problem in the area and it is becoming hazardous for the kids that are the homes in that area.

Also, the Sheriff was aware of an alcohol outside event at Oakwood Square.

Jonathan King, of 3555 Stratham Dr. NW, was present. He was also there to vouch for the safety concern with the cars parked on Farnham.

Nick Fucci, of 6993 Pinetree, had a concern with the stop sign at Eastern and Pinetree. He said people go through it. It might as well not even be there. The Sheriff will look into this.

LAW DIRECTOR:

1. DioGuardi Annexation – Mr. Williams went over the annexation of the DioGuardi Annexation and the fact that the Commissioners did deny it because it was an invalid signature.

COMMUNICATIONS:

1. Muskingum Watershed Conservancy District – regarding the Maintenance Assessment Funding.
2. Dave Ross – regarding people using the berm lane on Schneider heading east at Schneider and Market as a pass lane.
3. EPA Citizen Advisory – regarding the Bob-O-Link Wastewater Treatment Plant.
4. Concerned Citizens – complaints about Spangler Road repairs to the street, aprons, numerous complaints regarding lawns needing mowing, etc.

CONCERNS OF CITIZENS:

S. H. Kim, of McLean, VA, the former owner of the S.H. Kim Tae Kwon Do Studio, at 5000 Whipple Ave. NW, said that he had moved to Virginia in 1995. He apologized for having to have letters sent to him about weeds and the distasteful looks of his property on Whipple Ave. He explained that the building was built in 1983. It was a tae kwon do studio. He put in expensive landscaping and he stated that a lawsuit was the problem with the deterioration of the building. Buckeye Demolition went in and removed the air conditioners from the roof, plumbing, and all metal material. He went over the process that the Township went through and had copies of all correspondence. However, he felt that the last two correspondences that were given to him, though the others were mailed to the McLean, VA address, the last two were mailed to the 5000 Whipple Rd. address, and he wanted some type of restitution. Our Law Director, Mr. Williams, very pointedly told Mr. Kim that we followed the law to the letter, and that we were not even required to send the last two letters. The discussion went on for approximately 40 minutes and Mr. Kim became very irate and upset and was told to calm down by Mr. Williams. Mr. Williams told him if he had any further action to take, he could contact him directly. Mr. Kim did apologize to the audience and to the Board and left quietly.

CONCERNS OF TRUSTEES:

Fire Levy - Mr. Leno said that as much as he admires WHBC, there is a large error going on in that they are reporting that our fire levy is going to increase the owner of a \$150,000 home by \$300 when in reality, it is only \$44. He is asking that the radio station please get this right as it could hurt our levy. It was announced yesterday throughout the day, that it was a \$300 increase for a \$150,000 property. In reality, it is a \$44 increase to the owner of a \$150,000 property.
