FOR IMMEDIATE RELEASE

Plain Township: EFFECTIVE IMMEDIATELY: All Plain Township Programming, leagues, and reservations are suspended through the target date of April 6th, which will consistently be monitored and re-evaluated in the mean-time. The Plain Township Community Easter Eggstravaganza which was scheduled on April 4th is cancelled. The Township will update regularly as the situation changes.

Official Plain Township Board of Trustees meetings and scheduled Zoning hearings will continue. The Board of Trustees urges residents who do not have pending business with the Board to view the meetings online instead of in person.

In following closely with our partners, and at the recommendations given by the Governor, State Health Department, Stark County Health Department, and CDC, we are acting accordingly to do our part to mitigate the spread of the Corona Virus COVID 19.

Leagues and practices will be rescheduled at a later date and all reservations for the aforementioned time period will be refunded in whole.
