From the archives

Happy New Year!!! 2018 is here and we are looking forward to another year of growing our archives. Thank you again to all of you who volunteered for our events, to those of you that donated and to those of you who shared your family information. Together we are putting the pieces of the puzzle together that is the history of Plain Township.

Do not forget, we will be highlighting Glenwood High this year on Facebook, the Post Office, Plain Family Fit and Fun Day and at our August meeting. If you have anything to share or donate in regards to Glenwood please contact me. Our research has started!

If you have items to donate or share please let Cindy Guest know at preservingplaintwp@gmail.com or 330-224-2660. Also if you know of someone in the community with information that will help us please let us know.

Our program will feature Judy Pocock telling us about Plain Pioneers and Their Life.

Available for sale will be our next books that were recently published “And The Story Continues” . From now thru March, the books will be available to members at a cost of 2 for \$15. After March the price will be \$10 each.

These books are based on many stories that Jon Brunner has provided to the Historical Society thru his research in older publications. The first publication is dedicated to Jon for his work on this project and the second book is dedicated to Al Meyer for his many years of service.

Publication of these books was provided by the grant we recently received from the Rover Pipeline Community Historic Preservation Fund for distribution to 24 historical societies in Stark County. PTHS is using their grant for this publication and education in third grade classrooms.
