WHEREAS, Congress passed the Act effective March 11, 2021; and

WHEREAS, Section 603 created the Coronavirus Local Fiscal Recovery Fund which, among other things, appropriated money to cities, nonentitlement units of local government, and counties to mitigate the fiscal effects stemming from the public health emergency with respect to the Coronavirus Disease (Covid-19); and

Subject to paragraph (2), and except as provided in paragraphs (3) and (4), a metropolitan city, nonentitlement unit of local government, or county shall only use the funds provided under a payment made under this section to cover costs incurred by the metropolitan city, nonentitlement unit of local government, or county, by December 31, 2024 - (A) to respond to the public health emergency with respect to the Coronavirus Disease 2019 (COVID–19) or its negative economic impacts, including assistance to households, small businesses, and

(B) to respond to workers performing essential work during the COVID–19 public health emergency by providing premium pay to eligible workers of the metropolitan city, nonentitlement unit of local government, or county that are performing such essential work, or by providing grants to eligible employers that have eligible workers who perform essential work;

(C) for the provision of government services to the extent of the reduction in revenue of such metropolitan city, nonentitlement unit of local government, or county due to the COVID–19 public health emergency relative to revenues collected in the most recent full fiscal year of the metropolitan city, nonentitlement unit of local government, or county prior to the emergency; or

(D) to make necessary investments in water, sewer, or broadband infrastructure.

WHEREAS, Department of Treasury Final Rule, published on January 6, 2022, and effective April 1, 2022, provided in part that up to \$10 million of revenue loss may be presumed for purposes of using the ARPA funds in conjunction with the provision of governmental services through the standard allowance.

WHEREAS, the Township calculated revenue loss pursuant to the Interim Final Rule based upon the specific formula mandated by the Department of Treasury and thereafter allocated certain funds through resolution to various departments within the Township to allow for the provision of governmental services to those departments based on the calculated and real loss of revenue.

WHEREAS, the Board adopted the Standard Allowance after the release of the Final Rule, and in so doing rescinded its previous resolution regarding the calculated revenue loss.

WHEREAS, the Board has determined that the allocation of funds for revenue loss before the Final Rule was adopted conforms with the provision of governmental services and is an appropriate use of the funds under the Expenditure Category EC 6.1.

NOW THEREFORE, it is hereby RESOLVED by the Board that:

1. The Township elected to use the standard allowance by way of Resolution 22-181 and its presumption of revenue loss due to the public health emergency and to use the amount authorized herein to fund government services.

3. Accordingly, the allocations referenced before the release of the Final Rule were in the best interests of the Township and were properly deemed a priority for the community.
