## *A Message from the Board of Trustees*

On November 6, 2007, the Plain Township Board of Trustees is seeking a 2.25 mill renewal of the current police levy, which is due to expire. Passage of this levy will result in **no new taxes** for Plain Township residents.

The Stark County Sheriff's Office currently has a contract with Plain Township, in which the Sheriff's Office provides deputies and a detective assigned exclusively to Plain Township. The Sheriff's Office provides a wide range of services, including patrolling Plain Township roads and neighborhoods and conducting investigations of criminal and civil complaints.

The Township also has a police dog, Ollie, who is trained in searching for missing persons, chasing suspects, patrolling and tracking.

Plain Township owns all the equipment used for police services, including the police cruisers. The police levy brings in approximately 1.4 million dollars

a year. This is quite a value in comparison to our neighboring townships, who spend between five and seven million dollars a year on police services.

The Board of Trustees understands the economic burdens township taxpayers are facing, and the fact that there are numerous tax issues on the ballot. However, without the passage of this levy,

Plain Township will be without policing services when the current contract expires on December 31, 2007.

The cost of this levy for the owner of a \$100,000 home for tax purposes is \$56.92 a year. Please contact the Stark County Auditor's office at **330-451-7357** if you have any questions in regards to the market value for tax purposes of your property.

*Pamela S. Bossart*  
*Louis P. Giavasis*  
*Albert P. Leno II*

**Renewal of the current  
police levy will result in  
no new taxes for  
township residents.**

## **Bicentennial Committee Members Needed**

Plain Township will reach its 200<sup>th</sup> year in 2009, and we need your help to plan the celebration of our past, present and future! Plain Township was created March 16, 1809. The Trustees want our bicentennial to truly be a community celebration. We are asking residents and representatives of area businesses and organizations to volunteer to serve on a Bicentennial Committee to decide how to celebrate this important milestone.

Please call the Plain Township Administration office at **330-492-4689** if you would like to volunteer to serve on the Bicentennial Committee.

## Aluminum Cans for Burned Children (ACBC)

ACBC helps child burn victims and their families by providing the following:

- \* special protective clothing not covered by insurance
- \* non-medical items such as pets and toys lost in fires
- \* bicycles that help children exercise their injured bodies
- \* transportation to out-patient treatments

Many special events for child burn victims are also funded by ACBC. Your contribution of aluminum cans at the Fire Stations is greatly appreciated.

their chimneys should be inspected and cleaned prior to the start of every heating season.

- \* Always use alternate sources of heat (such as portable and kerosene heaters and wood-burning stoves) with extreme caution and according to their instructions.
- \* Install at least one carbon monoxide alarm near sleeping areas.

\* Install working smoke alarms on every level of your home and inside each sleeping area to alert you and your family in the event of a fire.

### Fireplaces/Wood Stoves:

- \* Allow enough clearance between a wood burning stove and combustible materials such as walls, floors and ceilings.
- \* Use a fireplace screen to prevent any sparks from reaching out and igniting nearby objects.

## Heating Safety

The State Fire Marshal's Office has provided the following reminders of basic fire safety rules for home heating:

- \* Have a qualified professional check your home's heating system annually. Furnaces, fireplaces, wood stoves and

The Plain Township Historical Society is looking for old abstracts on homes, farms, or buildings in Plain Township to be saved in our historical library. Please call Judy at 330-492-3566 or Tom at 330-494-6187 with this information.

Meetings are held on the third Monday of each month (except December) at 7:00 p.m. at the Plain Township, 2600 Easton St. NE. The meetings and programs are open to the public.

## Oil Recycling Just Makes Sense

### Did You Know?

- ★ Just one gallon of used oil can contaminate one million gallons of water.
- ★ If you recycle just two gallons of used oil, it can generate enough electricity to run the average household for almost twenty-four hours. Also, used oil can be re-refined into base stock for lubricating oil.

### Things To Know

- ★ Recycling used oil allows us to continue to enjoy what many of us take for granted every day—clean water.
- ★ Used oils can be reprocessed into fuel that can be used in furnaces for heat; or in power plants to generate electricity for homes, schools, and businesses.

Recycled used oil probably touches your life every day—without you even knowing it. We all benefit from recycling used motor oil. From augmenting our oil supplies and helping to generate heat, to protecting the environment—recycling oil just makes good sense.

## Fall Yard Debris

With the Fall season upon us, the Zoning Department has begun receiving phone calls regarding leaves. Please be advised that there are no zoning regulations regarding leaves and/or leaf clean up.

Plain Township provides two yard waste recycling drop-off sites (locations, dates and times for these sites are provided on page 8 of this newsletter). If you know of a Plain Township resident needing assistance, why not lend a helping hand or call a local church or charitable organization for volunteers?

## Board Positions Available

The Trustees are accepting letters of intent from persons interested in filling expiring terms for the Board of Zoning Appeals

and Zoning Commission. One position to each Board will be appointed for a five (5) year term beginning January 2008.

Interested persons must be legal residents of Plain Township and must be able to devote up to three (3) evenings per month to hear variance, conditional use, or rezoning requests. Zoning knowledge is preferred but not required.

Letters of intent should be accompanied by a resume and may be mailed to the Zoning Director, 2600 Easton Street NE, Canton, Ohio 44721 or dropped off in person between the hours of 8:00 AM and 4:30 p.m., Monday through Friday. Letters of intent will be accepted until Monday December 3, 2007.

## Zoning Certificate of Conformance

For all commercial property owners and/or tenants - A Certificate of Conformance Permit is required prior to anyone occupying a building in a Business, Office, or Industrial District.

A new permit is required for any change in business use, change of ownership, or change of tenant.

You can pick up an application at the Plain Township Zoning Department. Any and all Township businesses must have this Certificate hanging on their wall. If your business does not have one, please contact us as soon as possible.

## Home Rule Resolutions

In 1991, Plain Township became a home rule township. The home rule designation allows the township to exercise limited powers of self-government and limited police powers.

Plain Township has several home rule resolutions on various subjects, including animal regulations, park rules, and obstructions in the right-of-way.

All of these home rule resolutions can be read in their entirety on our website:

[www.plaintownship.com](http://www.plaintownship.com)  
under the heading **Our Township and Home Rule.**

All home rule resolutions are enforced by the Stark County Sheriff's Office, **330-430-3800.**

## Adult Community CPR

The Plain Township Parks and Recreation Department, in conjunction with the Plain Township Fire Department, is offering Adult Community CPR training to residents ages 18 and older.

You will learn the basic skills necessary to perform CPR, assist a choking victim, and proper use of an Automatic External Defibrillator or AED. This class will be taught by a member of the Fire Department.

The class will be conducted on the indoor field at Diamond Sports Complex on **Sunday, October 14, 2007 from 12:00 p.m. to 4:00 p.m.** Diamond Sports Complex is located at 2782 Diamond St. N.E.

There is no cost for this class. To ensure a successful class, we are requiring a minimum of 10 participants.

### Plain Township Paving 2007

Our 2007 Plain Township Paving and Road Repair Project and Gutter Replacement Program is now complete. Approximately eleven miles of roadway were repaved and one mile of curb and gutter was completed. We would like to thank our residents for their patience with any inconvenience that may have occurred.

### Storm Sewer Projects

The Board of Trustees recently passed a resolution to go forward with the Brookhaven Storm Sewer Project to help relieve flooding in the area. Construction will begin soon.

In September, bids should also be going out for the 30<sup>th</sup> Street Storm Sewer Project. We hope

to complete the project this year to help the residents with flooding issues.

### Sight Obstructions

Please trim back your trees, bushes, hedges, etc. that can cause a sight problem for drivers as the courts have determined that there may be a joint liability between the owner and the governmental agency for hazards in the right-of-way.

### Right-of-Way Obstructions

Please remember that trash cans, and portable or permanent basketball hoops cannot be placed in the road right-of-way. According to ORC Section 3767.15, no obstruction can be placed in the right-of-way.

### Prevent Drainage Problems

Please remember not to rake leaves, grass clippings, or other debris into storm sewers, ditches or streets. Keeping storm sewers and ditches clean will help reduce drainage problems. Your cooperation is appreciated.

Please also remember that it is illegal to dump oil, antifreeze, herbicides, pesticides or other hazardous products into ditches, culverts or catch basins. All violators will be prosecuted. If you see dumping taking place, please report it to the Stark County Health Department at 330-493-9904.

## From the Fiscal Officer:

The Plain Township Trustees will be submitting their budget request to the Stark County Budget Commission for the fiscal year 2008 in September.

The proposed budget of \$18,304,100 is a 2% increase over 2007. In the General Fund, monies are budgeted for Plain Township's share of the Applegrove widening project and several storm sewer projects which will help eliminate water problems in the Township. Income from estate taxes will again be used to pay down the loan on the Schneider Park property that was purchased in 2006. A total of \$1,726,031 is needed in the Police District Fund to continue our current contract service with the Stark County Sheriff's Department for 2008. With the passage of the Road levy, funds will be available to add additional streets for paving in 2008. The Fire Department is continuing its plan to upgrade equipment and services to the residents of Plain Township. The Parks Department began planning new programs in 2007 for area residents and will continue in 2008, bringing attention to our wonderful facilities at Alpine Park and Diamond Park. In 2008, plans will be started for the development of the new park area on Schneider Street.

For senior citizens, disabled person and surviving spouses who own their homes, we would like to make sure you are aware of the expanded homestead exemption available to you on your real estate taxes. The expanded program provides an exemption from real property taxes on the first \$25,000 of an eligible taxpayer's homestead. Prior to 2007, there were income limits but Governor Strickland removed these limits for 2007 and after. Please contact the Homestead Office of the Stark County Auditor at 330-451-7323 or 330-451-7949 for more information. The form is available on the Stark County Auditor's website: [www.auditor.co.stark.oh.us](http://www.auditor.co.stark.oh.us). Depending on your taxing district, your savings can be anywhere from \$100 to \$400 per year. The deadline each year to file this form is October 1.

*Claude "Skip" Shriver II, Plain Township Fiscal Officer*  
*Jo Ellen Reikowski, Finance Director*

## Indoor Soccer

Both recreational and competitive indoor soccer leagues are offered at the Diamond Community Park, 2782 Diamond St. NE. Visit the Parks Department's page on Plain Township's website:

[www.plaintownship.com](http://www.plaintownship.com) for league fees and registration forms, or call **330-499-0000** for more information.

### *Competitive League*

Competitive indoor soccer begins on November 4, 2007. This league is for skilled players in the following divisions: U-10, U-12, U-14, High School Boys, High School Girls, Adult CO-ED and Open Men's. The registration deadline is October 26, 2007.

### *Recreational Soccer*

The recreational league also begins November 4. Players in first through sixth grades may participate. The goal is to expose kids to the game of soccer in a safe and fun environment.

Parents and guardians may volunteer to coach a team and receive your child's registration for free!

Register upstairs at the Diamond Sports Complex from 9:00 a.m. to 12:00 p.m. on October 6 and 13.

## Kidz Kickin' It

Looking for a new and exciting sport for your little ones? Kidz Kickin' It, for children ages three and older, is just the program for you! Join Dianna Wright on Friday mornings at the Diamond Community Indoor Sports Complex to learn the basics of kickball and teamwork.

When: Fridays, September 28 - November 2, 2007, 10:00 a.m. - 11:00 a.m.

Where: Diamond Sports Complex

Fee: \$12.00 per child

## Free Preschool Program

Are you looking for a way to help your little ones better understand what is going on in the big world around them? Join Dianna Wright for a series of classes that bring the grown-up world to a preschool level. The children will learn from six special guests about how everyone must work together for the community, including police officers, firefighters, paramedics, bankers, teachers and nurses.

When: Tuesdays, November 6 - December 11, 2007, 10:00 a.m. - 11:00 a.m.

Where: Diamond Sports Complex
