A Note From Your Board of Trustees

On behalf of the Plain Township Board of Trustees and our Plain Township Road Department, we offer sincere thanks and appreciation to our community for the passage of our Road Levy Renewal. This levy will allow Plain Township to maintain the outstanding level of services that our residents, businesses and community have come to both expect and deserve. **Safe streets and neighborhoods are vital to making Plain Township a great place to live, work and play!**

During this season of giving, we ask you to keep our veterans in your thoughts and prayers. **Iraq and Afghanistan veterans suffer from food insecurity at more than double the national rate of 12%.** The SAM Center has partnered with community organizations to stock three-day emergency food bags which allow organizations to identify hunger and immediately meet the need with 3 days worth of food. **You can help by bringing donations to the Plain Township Hall located at 2600 Easton St NE, Canton between the hours of 8:00 am until 4:30 pm Monday through Friday.**

Items needed include:

1 can each of the following: chicken noodle soup, corn, green beans, pasta sauce (in a can, no jars please), tomato soup, tuna, Vienna sausage (4.6 oz), pork and beans

1 box/package of the following: Knorr, mac and cheese, rice-a -roni, spaghetti

Other items needed: single serving fruit cups, capri suns, single serving pudding cups, ramen noodles, cans of ravioli, instant hot cocoa, instant packages of oatmeal, pop tarts, sandwich crackers, trail mix, granola bars, small containers of instant coffee, single serve cups of apple sauce, fruit snacks, hard candy, and single serve cups of peanut butter.

Thank you in advance for any and all donations and for your help in lifting up our veterans and honoring those who have served. To learn more about the SAM Center please visit their website at www.servingareamilitary.com/

Sincerely,

Scott M. Haws

John's Bar and Grille

Plain Township is proud to welcome **John's Bar and Grille** to **Oakwood Square Plaza**! John's is a family owned restaurant of 4 generations who take pride in serving the best steaks, seafood, ribs, hand-crafted burgers and cocktails.

John's was a Canton tradition since 1945, but tradition is not found in a location, but in the values, the people and the food. Stop by for breakfast cooked by John, lunch or dinner and enjoy the tradition and become a regular!

A huge thank you to the Varavvas family for choosing Plain Township and Oakwood Square as home for their business.

Plain Township would like to thank Grant Giltz of Giltz Associates who took over the Oakwood Square Plaza in 2017. The Plaza is now at 100% capacity. Grant is not only a wonderful business and community partner, but a friend to Plain Township.

Forever Craft Urban Winery

Matthew and Melissa Smith started off as home winemakers who loved traveling around and visiting wineries and breweries every where they traveled. In 2018, they started down a path of creating an exciting new brewery and winery concept that would offer a wide variety of products for drinkers of all kinds. However, when the pandemic hit, they decided to scale back and only make wine out of a small production space in Akron. In September of 2020 they opened for business, only providing online sales with local pickup and delivery, and sale through a few local bars and breweries. **Their wines have been very well received and it became more and more obvious that they needed their own place to share our wines directly with customers.**

As Plain Township residents, they thought it only right to set up our shop right here at Oakwood Square and be a part of this exciting community of businesses.

When designing their space they wanted to build a place that more closely resembled the breweries that they love so much, more so than the typical winery most people think of. **They have created an inviting and comfortable space with plenty of bar seating.** In addition to their one of a kind, fun and exciting wines, they will be offering Ohio craft beers on draft and some craft Ohio spirits. **At Forever Craft Urban Winery, there is something for everyone!**

Welcome to Oakwood Square Plaza! Plain Township is proud that you have chosen to open your business here!

Board of Trustees

Stark County Health Department's COVID-19 Business Safety Initiative

The Stark County Health Department is offering **COVID-19 Business Safety Initiative Grants** to give businesses (i.e. small businesses, faith-based organizations, non-profit organizations, retail stores, schools) the opportunity to apply for items needed to improve the safety for their employees and customers.

The business must have on-site staff and/or serve customers in-person and be located in the low-to-moderate income area in order to qualify. Some exceptions may apply to businesses/organizations, but the determination will be made after the application is submitted.

The application process opens on November 22nd and ends on February 28th. Visit StarkHealth.org for further details and to apply!

COVID-19 BUSINESS SAFETY INITIATIVE

What items can my business apply for?

- Automatic Hand Sanitizer
- Barrier Devices
- Stanchions
- Signage
- Floor Decals
- Touchless Soap Dispenser
- Touchless Paper Towel Dispenser
- Plastic Chairs
- Masks/Face Shields
- Thermometer/Temperature Facial Scanner
- Pen Dispenser
- Cleaning Supplies
- Hepa Filtration System (floor models)
- Disinfectant Sprayer

Phase 2 Application Process Opens
Monday, November 22nd and ends Monday, February 28th.

Apply in 4 Easy Steps

1 Location Lookup **2** Apply **3** Site Visit **4** Distribution

Businesses must be located in a low-to-moderate income area outside of Alliance, Canton, Massillon or Hills & Dales.

Application at StarkHealth.org

Funding is provided by the Community Development Block Grant (CDBG) through the Board of Stark County Commissioners.

Share the Warmth this Winter Season

Child and Adolescent Behavioral Health (C&A) is partnering with **Plain Township Administrative Offices** to sponsor a drive to benefit C&A clients in need. **C&A is asking township residents to donate new hats, gloves and scarves to distribute to families who are unable to afford them during the winter months.**

Your donation may be dropped off at the Plain Township Administrative Offices located at 2600 Easton St. N.E., Canton between the hours of 8 am and 4:30 pm. through Jan. 31, 2022. C&A has four locations throughout Stark County, including an office at GlenOak High School.

Please help to share the warmth this winter! If you have any questions, please contact Dan Mucci at dmucci@childandadolescent.org

Warm heads and hands lead to

Stay Connected with Nixle

The Plain Township Board of Trustees has a community notification service available to all residents, businesses, schools and organizations within Plain Township. This service is called "Nixle." It is a way for our Sheriff's Office, Road, Fire and Parks Departments to communicate quickly and effectively to our residents in case of a township emergency or event. The Nixle service lets us reach out to residents to inform them of events like road closures, snow bans, amber alerts, severe weather, and township wide events (just to name a few) by using email, texting or voice messaging.

To register for Nixle, either text your zip code to 888777 or go to www.nixle.com. After selecting the "Nixle" link, you may register by entering your zip code in the field provided and clicking Go! On the next screen you will see a Sign Up Now box. Stay safe! Stay connected!

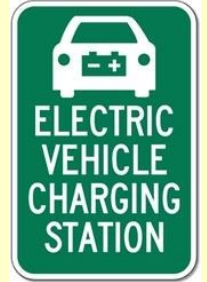

PLAIN TOWNSHIP

(330) 492-4689

Electrical Vehicle Charging Stations

The Plain Township Board of Trustees are excited to announce the installation of two (2) new Level II Electric Vehicle charging stations located at the Plain Township Administrative Offices at 2600 Easton St NE. Plain Township is allowing use of these charging stations with an introductory rate of \$0.00 / kWh as this new service is rolled out. The Dual station (4) port chargers were made possible with a grant from AEP Ohio along with a partnership with the ChargePoint Network. A huge thank you to Captain Eric Haines, who spearheaded this initiative on behalf of the board.

The EV Charging Stations are available for public use, at a first-come, first served basis. The location allows you to charge your vehicle while you eat, drink and shop at Oakwood Square Plaza. All charging stations are on ChargePoint networks and can be accessed through the ChargePoint App., which is available for free at <https://www.chargepoint.com/> and in the Apple Store or Google Play. The ChargePoint App helps locate charging stations available nearby and sends notifications when your car is done charging. By creating a free ChargePoint account, you can find charging stations everywhere you go and start charging your EV right away!

Mini Food Pantry

Here at the Plain Township Administrative Offices, we installed a mini food pantry. If you need something, take something. If you can give something, leave something. It is a drive up converted lending library. It is stocked with nonperishables like peanut butter, tuna, canned vegetables, soup, canned meats, canned meals, pasta and cereal.

Located at 2600 Easton St. NE

PLAIN TOWNSHIP

(330) 492-4689

Plain Township Yard Waste Site

The Plain Township Resident only yard waste site was a huge success this season. Although the site is closed for the Winter, it will reopen on **Friday, March 4th.**

Live Christmas Trees can be dropped off at the yard waste site in the marked designated area on Friday, December 31st through Monday January 10th.

For those residents who would like to purchase a yard waste card, you can do so at www.plaintownship.com. The key card expires one year from date of purchase. For those residents that purchased their card using a credit card, your key card will automatically renew unless your credit card has expired. In that case, call the Plain Township Administrative Offices at (330) 492-4689 to update your information. All cards can be picked up at the Township Hall located at 2600 Easton St NE, Canton, Ohio 44721 from Monday-Friday from 8 am until 4:30 pm. Cards will NOT be mailed. Please bring your driver's license or state identification, to confirm your identity and residence when you pick up your yard waste card. One card per household, only.

If you do not have access to a computer or prefer to pay by cash or check to purchase a key card, you can fill out a form and pay the fee at the Plain Township Hall. If paying with cash, we need the exact amount as we do not have change. The fee for 2022 will remain at \$25.00. For those paying via cash or check, remember that you will need to renew your yard waste card yearly.

We are happy to continue this program for our residents!

SAVE THE DATE

Hippity Hop on over to the **Plain Township Easter Eggstravaganza** on **Saturday, April 9th** at **Oakwood Square Plaza** from **noon until 3pm.** Bring your baskets for the children's egg hunt and visit with the Easter Bunny!

Contact Rob Steinberg at 330-492-4689 if you are interested in sponsoring this fun family event! Follow us on FB for more information to come!

Eyeglass Donations

Have a pair of old eyeglasses? Donate them to someone in need by dropping them off at the **Plain Township Hall** **Monday-Friday from 8am-4:30 pm.**

Prescription Drug Drop Off

You can drop off your prescription drugs, in their original container at the Plain Township Administrative Offices. The drop off box is located in the lobby and can be accessed Monday through Friday from 8 am until 4:30 pm. No liquids or syringes. This is a free service.

ROAD DEPARTMENT

(330) 492-3423

Please remember that no parking is allowed on the paved surface of posted streets when there is more than two inches of snow on the ground. Many Plain Township roadways will be posted this year with “No Parking” signs and the ban will be strongly enforced!

Plain Township has 173 lane miles of road... and that is just going in one direction. The average width of our township roads ranges from 26 to 30 feet. As a result, this takes our drivers 4 passes to clear an average roadway. We also have over 250 cul de sacs in the Township. Each cul de sac has an average of 5 driveways, limiting the places that snow can be put. All of our drivers do their very best to not block driveways or mailboxes in cul de sacs, but it can be extremely difficult during heavy snow, as the snow has to go somewhere. For information regarding our policy in regard to plow damaged mail boxes, visit our website at: <http://www.plaintownship.com/documents/roads/MailboxDamageForm.pdf>

The Township Road Garage consists of 12 full time plow drivers. When possible, office personnel, like the Highway Superintendent, Foreman, and Inspector all hop into pickup trucks to assist. The Highway Department's main goal is to make our streets safe from icy, wintry conditions. There are over **22,000 driveways** in Plain Township. *Unfortunately, there is absolutely no way that our plow drivers can avoid putting snow in front of your driveway.* The plow driver's job is solely to clear the roadway. During major storms, our crew can be out for over 24 hours and still have to go home to clear their own driveways. **During a heavy snowstorm, it can reasonably take our snow plow drivers 12 to 16 hours to clear ALL roadways, after the snow has STOPPED!** Our crew is instructed to clear main roads first, followed by secondary roads and lastly dead ends and cul de sacs. Each driver has a starting and finishing point. No one area in the township has a higher priority than another. We also request that residents on non-posted streets be courteous in moving their cars, so that plowing can be done in a timely manner. The removal of vehicles from the roadway is for the safety of our drivers. It also helps us improve our efficiency in getting the roads cleared quickly. In addition, private residential, as well as streets in other jurisdictions like State and County roadways, are not treated by Plain Township. And if trash cans are accidentally knocked over or hit by our plow drivers and damage does occur, please contact your trash removal service for replacement, **the road department is not responsible for replacement of trash cans.** The snow bans are announced on **WHBC** and the **Canton Repository**, along with our **Facebook** site!

Plow Marker Flags

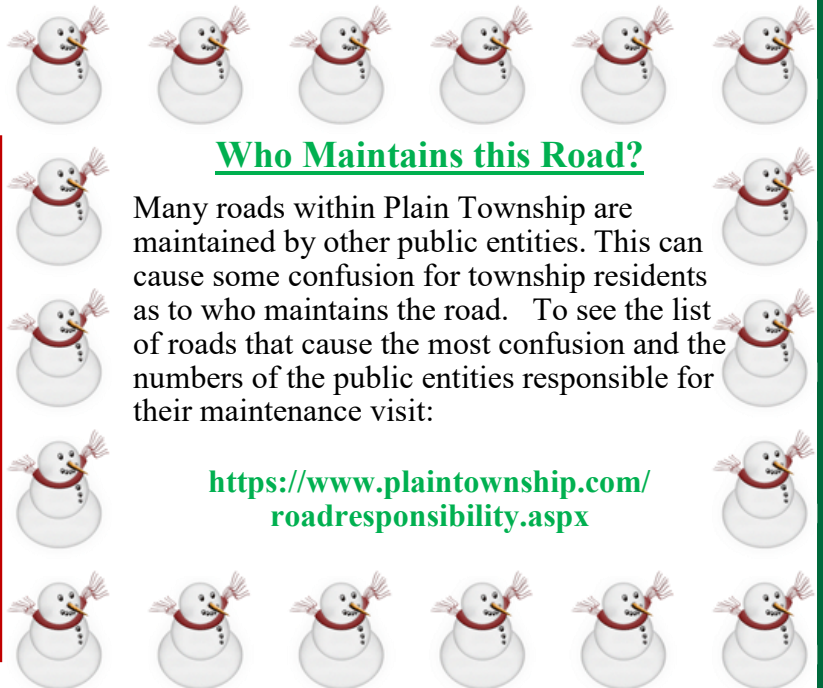

The Plain Township Road Department will be inserting plow marker flags in areas that are prone to plow/turf damage. These flags are a fluorescent red/pink color, so please don't be alarmed if you see them at the edge of the road along your property. These flags will help our drivers in determining where the road and turf meet, minimizing damage to resident's lawns, sprinkler heads, and downspout drain pipes.

Who Maintains this Road?

Many roads within Plain Township are maintained by other public entities. This can cause some confusion for township residents as to who maintains the road. To see the list of roads that cause the most confusion and the numbers of the public entities responsible for their maintenance visit:

<https://www.plaintownship.com/roadresponsibility.aspx>

Board of Trustees

A Letter from Sheriff George T. Maier

Dear Friends,

Winter brings about many challenges for people throughout Stark County. I always encourage people to drive safely and obey traffic laws, but it is that much more important during the inclement winter months. I'd like to take a few moments to share some winter safety tips with the help of the National Highway Traffic Safety Administration.

It is always a good idea for you or your mechanic to check over your vehicle to be sure it doesn't leave you stranded. Take time to review your owner's manual to be sure you can properly operate all of the features on your vehicle such as defrosters, lights, cameras, traction control and other safety devices. It is also important to stock your vehicle with snow brushes and ice scrapers, blankets, phone chargers, shovel, jumper cables and other items that might help if you were stranded. You should also make sure that the tread on your tires is adequate to handle road conditions. Check to make sure that your windshield washer fluid is full, wipers are in good repair and windows are clear of snow and ice. You should also consider using a winter grade washer fluid to prevent freezing. While driving, make sure your headlights are on and clear of snow so that you are as visible as possible.

When snow and ice are on the ground, it is even more important to avoid distracted driving and keep all attention on the roadway. It is also imperative to follow Ohio law and move over or slow down for stopped emergency or service vehicles on the roadside. Please obey the speed limits and drive slower if road conditions make it necessary. Don't be overly confident in poor road conditions just because you have 4 wheel drive. If you have a young driver in the family, take some time to familiarize them with driving in the snow in an isolated area before taking them in traffic. The Plain Township Road Department does a great job removing snow and clearing the road. Please give them room to work. Stay behind them, don't follow too close and use caution if you need to pass them. Remember, if you can't see a plow driver's mirrors, they can't see you!

I hope that you all have a wonderful winter season and enjoy the beauty it has to offer.

George T. Maier

House Numbers

Being able to locate your residence or business is critical to aiding safety professionals in responding to an emergency. Residents can obtain signs with a **BLUE** metal background and large reflective numbers by completing the attached form and sending it along with a check for **\$16.00** to:

Plain Township Paramedics

1742 Schneider Road NE.

Canton, Ohio 44721

For Questions, call the **Fire Department** (330)492-4089

All proceeds benefit the Plain Township Fire/Paramedic Association.

FIRE DEPARTMENT

(330) 492-4089

Fire Safety in Your Home

As colder weather approaches, we would like to take this opportunity to discuss fire safety in your home. First, do you have a working smoke detector in your home? **Also, do you know the age of your smoke detectors?** Most smoke detectors have a life span of 10 years. If you think your smoke detectors are older than 10 years, then the fire department encourages you to go out and purchase new detectors or contact the American Red Cross. The date of manufacture can be found somewhere on the smoke detector if you are not sure about the age of the smoke detectors. **According to the U.S. Fire Administration, three out of five home fire deaths result from fires in homes without a working smoke detector. Also, according to the U.S. Fire Administration, home heating appliances are the second leading cause of residential fires.** If you have an older home, it is recommended that there be at least one smoke detector on each level of your home. If you have a newer home, early 2000's to today, then smoke detectors are required on every level of your home, in all bedrooms and in the hallways adjacent to the bedrooms.

If you have appliances that use natural gas in your home (i.e., furnace, hot water tank, stove, dryer) it is recommended that you have a **Carbon Monoxide (CO) Detector** in your home. All Carbon Monoxide detectors on sale are all effective if used to the manufacturer's specifications. Typically, only one is needed for a home and should be placed where the family spends the most time in the home and not around appliances that use natural gas or near an attached garage.

Plain Township Firefighters Presents "Fly the Flag"

The Plain Township Firefighters will place a 3' X 5' flag in your yard before each of the six listed holidays and pick it up after the holiday. The flag will stay in your yard for up to one week. A 20" long plastic pipe will be buried in your front yard permanently flush with the ground, to hold the flag staff. The Plain Township Firefighters will be offering this service to residents and businesses within Plain Township.

- Memorial Day
- Flag Day
- Fourth of July
- Labor Day
- Patriots Day
- Veteran's Day

The cost for this service is only \$30.00 per calendar year.

Profits will be used for Firefighter Charitable funds & Scholarships.

Plain Township CPR

CPR, HeartSaver, Adult, Child, Infant and First Aid with AED Training courses are available for groups or those that need to renew. Call the Fire Department at (330) 492-4089 if you are interested!

Seasonal Tips

Consider giving a smoke alarm, CO detector or fire extinguishers as gifts this season!

Use candles only in approved containers and never near trees, evergreen trimmings or combustibles and **never leave candles unattended.**

When purchasing an artificial tree, look for the **"Fire Resistant Label."** Check for freshness when purchasing live trees and make sure are needles are soft. **Water live trees daily!** Dry trees can burn in seconds. Never block an exit with your tree. Remove live trees from your home ASAP. Never attempt to move a burning tree!

Have a safe and happy holiday season!

ZONING DEPARTMENT

(330) 492-4686

ASK VINNY

Question: I am not sure where my property lines are. How can I locate them?

Vinny Says: Contact a surveyor and they can locate your property lines for you. You may also have a mortgage survey that was done when you purchased your home. That survey might have been included with all of your purchasing paperwork. Your survey will also indicate any easements that may be on your property. If you are looking for more information about your property, such as the lot size or year your home was built, the Stark County Auditor site is a great tool to use.

Question: I live in an area that has a Homeowners Association. Do I follow the Townships regulations or my HOA's for placement of a shed on my property?

Vinny Says: Most construction requires a permit from the Township. We issue permits based on Township regulations and we do not enforce the rules and regulations for HOA's. However, some HOA's have their own guidelines that you may also have to follow.

Submit your questions to Vinny at Zoning@plaintownship.com

Sign Permits

Temporary signs, such as a banner or portable sign, require a sign permit. A permit is good for 30 days and you may have a temporary sign renewed three times in a calendar year. You must apply and obtain your Temporary Sign Permit before placing it on your property. All permanent signs require permits. Check with the Zoning Department for size regulations and note that signs are not permitted in the road right-of-way. No sign may be attached to trees, telephone poles, street lights or street sign poles (Section 801.3). These signs will be removed immediately with no contact to the sign owner. Any sign for employment, garage/yard sales, etc. must only be located on private property, with permission from the property owner.

Zoning Permits

It's now easier than ever to apply for a zoning permit! You can even do so from the comfort of your home. Email your application and any site plans or drawings to zoning@plaintownship.com. We will contact you if we have any questions.

The permitting process normally takes between 2-3 days and we will contact you when your permit is ready. You may call in and pay over the phone with a debit/credit card and we can email the permit to you.

Check out our website at www.plaintownship.com for all of your zoning needs.

Winter Stormwater Tips

Start shoveling early! The more snow you remove, the less salt you will need. More salt does not equal more melting snow. Follow product instructions when spreading deicing material and give it time to work. Sweep up any material remaining after the snow/ice melts. When temperatures hit 15° F or below, salt is not effective. Consider using traction materials that contain an acetate, potassium chloride, magnesium chloride, or cracked cornmeal instead of sand or kitty litter!

Pay close attention to places that may have eroded during the snow melt. Plan to improve these areas in the spring by using native grasses, meadow plants, or native trees and shrubs.
