The Plain Township Farmers' Market offers a diverse group of local vendors that create a wide array of produce, meats, plants, baked & canned goods, personal care products, crafts and home decor. The market also offers live music, ready to eat food, community informational booth and special events. It is a weekly event that provides the community with the opportunity to be entertained and educated while shopping and dining local.

The market is located at Veteran's Park, which is dog friendly and offers a scenic walking trail, covered pavilion, new bathrooms, a top of the line playground and a brand new and award winning Veteran's Keystone Monument and Blue Star Memorial Marker.

The market fosters vitality in our local community and promotes a sustainable economy through partnerships connecting local farms and small businesses, directly to customers. In order to keep our vendor fees low, so the market is cost effective for our local producers, your financial contributions are greatly appreciated to help the market succeed. Your sponsorship will assist with promoting the market, hosting special events and ensuring the sustainability of the Plain Township Farmers' Market, as a cornerstone of our community for years to come.

We have a range of sponsorship levels – each with their own benefits designed to help meet your goals and fit your budget. Please take a look at our sponsorship information and join with us today!
