## PROCEDURE FOR OBTAINING A PLAIN TOWNSHIP ZONING PERMIT

Applications can be obtained from the Plain Township Zoning Department or online. All applications must be completed in their entirety and submitted to the Zoning Department with the following information:

### Residential Permits

For A New Residential Construction:

- Zoning Application
- Site Plan\*
- Copy of Official House Numbering Slip
- Copy of Sewer/Septic Approval
- Copy of Driveway Permit
- Full Set of Construction Plans, including foundation plan, floor plan and elevation drawings

For Additions, Accessory Structures, Decks, Swimming Pools and Satellite Dishes:

- Zoning Application
- Site Plan\*

### Commercial/Business or Industrial Permits

For A New Commercial/Business/Industrial Construction:

- Zoning Application
- Two (2) Site Plans\*
- Copy of Official House Numbering Slip
- Copy of Sewer/Septic Approval
- Copy of Driveway Permit
- Two (2) Full Sets of Construction Plans -including foundation plan, floor plan, electrical, plumbing, HVAC, fire suppression, parking plan and elevation drawings
- Stark County Regional Planning Commission Approval

For Commercial/Business/Industrial Additions and Accessory Structures:

- Zoning Application
- Two (2) Site Plans\*

- Two (2) full sets of Construction Plans - including foundation plan, floor plan, electrical, plumbing, HVAC, fire suppression, parking plan and elevation drawings
- Stark County Regional Planning Commission Approval

Please Note:

- ❖ A To Scale site plan with North arrow must be submitted with the application. The site plan must include property dimensions, size and location (setbacks) of all existing and proposed structures and platted easements. If you have septic, you must obtain a Stark County Health Department permit first. It is your responsibility to check your deed and HOA restrictions. (A Mortgage Location Survey, from when you bought your home, works great!!!!)
- ❖ For any construction, particularly within close proximity to a street, the edge of pavement is NOT the property line. Check street right-of-way with the Zoning Department.
- ❖ Notice of Intent Form must be filed with Stark Soil & Water Conservation District for any earth disturbing activity on more than one (1) acre of land.
- ❖ Approval of the Stark County Regional Planning Commission is necessary for all construction on unplatted land other than single family dwellings.
- ❖ All commercial building tenants are required to obtain a Certificate of Conformance Permit from Plain Township prior to beginning any business use.

All applications and plans are reviewed by the Zoning Director.

IF APPROVED:

1. The applicant will be notified when the permit is ready and what the fee is.
2. The property owner is responsible for obtaining all necessary building permits from the Stark County Building Department.
3. Follow-up inspections by the Zoning Department are performed in 45-60 days to verify that construction is in accordance with the permit.

IF DENIED:

A denial form will be attached to a copy of the application and returned to the applicant with further instructions regarding possible appeal process.
